VACATION-READY LOOKS WITH BUILT-IN UV DEFENSE

Ready for those sun-soaked pool days or exhilarating water adventures? Make a splash in our iconic swim collection crafted for supreme sun-safe style. Each piece is designed with UPF 50+ protection to ensure you stay shielded from the sun. From breathable, lightweight cover-ups ideal for beach walks and more, to UPF 50+ swimwear that offers unparalleled sun protection,

AQUA HELIOS FABRIC

Our Aqua Helios fabric provides medium compression for added support and shape retention. With a slick handfeel, chlorine and saltwater resistance and 4-way stretch, this breathable, quick-dry UPF 50+ fabric is designed for active water wear. We developed it as a sustainable fabric made with a recycled fiber blend and Lycra® Xtra Life™ to resist perspiration and wear from chlorinated water up to 10 times longer than most spandex. Recycled Nylon / Xtra Life Lycra blend.
